

STARTUP CONTEST

WE ACCELERATE TIME-TO-MARKET FOR HEALTHCARE INNOVATIONS

Your goal is to be the next unicorn in Europe's startup scene?

Alright, then we should talk!

The Medical Valley European Metropolitan Region Nuremberg brings together leading players from the healthcare, startup, and investment sector who joined forces to offer YOU with the support you need on your road to success. MD squared GmbH, Thaumatec, inspiring-health GmbH, DTx Research Solutions GmbH, Convergence Partners AG and more to come...

Let's talk business! What's up for grabs?

- ▶ **Get access to relevant stakeholders and strategic partners** in healthcare!
- ▶ **Win up to 20 k** worth of individualized services by pitching your idea in 5 minutes!
- ▶ **Accelerate the time-to-market** and get ready for your next financing round!

We value your uniqueness with a **customized approach** to offer you **individualized support**.

Kicking it off with an **assessment workshop** to analyze your startup's needs, you can then decide **which services are your perfect match**. Choose between different services, mentoring and coaching offerings and pick the best fit for your startup!
