About Medical Valley

Medical Valley EMN e. V. is a leading international cluster in the healthcare industry. Highly specialized research institutions, internationally leading and also many up-and-coming companies are active here. These cooperate closely with world-renowned healthcare research institutions in the cluster in order to jointly find solutions to the challenges of healthcare today and tomorrow.

In January 2010, the Federal Ministry of Education and Research (BMBF) highlighted just how outstanding this cluster is by naming it National Cluster of Excellence. In 2017, Medical Valley was appointed as one of 12 national "Digital Hubs" by the Federal Ministry of Economics, the only one focused exclusively on the topic of "Health".

The network currently consists of more than 250 companies from business, science, healthcare, networks and politics. Medical Valley EMN e. V. is "not for profit". The central tasks of the cluster management are the further development, coordination and marketing of the cluster. Existing nodes of the urban-rural cluster Medical Valley EMN e. V. are the Medical Valley Centers Erlangen, Amberg-Weiden and Bamberg.

The unique Medical Valley ecosystem in the European Metropolitan Region of Nuremberg enables you to exchange information quickly and easily with all relevant players. The one-stop-shop principle offered by our model region also saves you time, energy and money. In this way, you receive the support you need to realize your healthcare innovation and bring it to market.

What are our benefits?

In addition to participating in strategically oriented innovation, funding and service projects that are intended to contribute directly to the cluster, we offer Medical Valley members concrete benefits in the areas of visibility, events, networking and internationalization.
These include, among others:
